The kenkey is exactly how it is described - well behaved! With the pepper and shito kept in separate small containers and the kenkey itself, well wrapped, it's easy to still enjoy the package warm after 2 hours!

Kenkey is one of my favorites and GCK is one of the best I've had! The first time I tried was the kenkey and okro stew and my roommate took the kenkey with pepper. They were both absolutely amazing! The customer service is a 10/10. If you are looking for well behaved kenkey with juicy accompaniments look no further!
